

New Forest and District Sailability (NFDS) Charity No 1105212 1

Media Consent form:

Consent for the use of photographic or video images

NFDS recognises the need to ensure the safety and welfare of children and young people taking part in boating. In accordance with our Child Protection Policy we will not permit photographs, video or other images of young people to be published without the consent of the parents/guardians and children.

NFDS will abide by the Conditions of Use below. If you have any concerns about the way images are being used, you should inform Eric Blyth (Chairman) or any other Trustees immediately.

Conditions of Use

1. We will not re-use any images after your child has left New Forest & District Sailability.
2. We will normally only identify a child by reference to the child's first name (or preferred nickname).
3. We will not use personal details or full names (ie. first name and surname) of any child to accompany a photographic image or video, on our website, in our organisation brochure or any other electronic or printed publications without good reason. 'Good reason' includes using the full name of a child in a newsletter to NFDS members if the child has won a trophy or award.
4. We will not include personal email or postal addresses, telephone or fax numbers on video, on our website, in our organisation brochure or in other electronic or printed publications.
5. We may use group photographs or footage with very general labels, such as 'Access Trophy'.
6. We will only use images of children who are suitably dressed, to reduce the risk of such images being used inappropriately.
