

**Talk on 'Mayhem, Mutiny and Murder' by Shirley Critchley  
on Tuesday 29<sup>th</sup> March 2016**

A big thank you to everyone who came to our fundraising talk on Tuesday. Shirley thrilled us with her stories of behind the expedition she took part in to discover the remains of the HMS Wager shipwrecked in Patagonia in 1741. Her

passion about the expedition shone through enhanced by a wonderful dry sense of humour!

We raised £60 for the Hansa Class Association and it was a great way to kick off the sailing season.

Also if anyone is interested in finding out more about the Scientific Exploration Society, either to make an enquiry about taking part in an expedition or a general enquiry about going to some of their excellent lectures.

you can contact them here. <http://www.ses-explore.org/about>
