Sailability

Our aims and objectives

New Forest & District Sailability (NFDS) was founded in 2000 to provide affordable, fully supervised dinghy sailing for people with disabilities. As well as welcoming individual disabled sailors, we can make provision for groups from workshops, clubs, schools and care homes etc. The group is affiliated to the Royal Yachting Association Sailability (RYAS).

Our aim is to encourage people, no matter what their age or disability, to reach their full potential through the friendly world of sailing.

Legacies

Many disabled people experience freedom and fun for the first time when they sail. Leaving a legacy to NFDS is a wonderful way to ensure that future sailors are given this opportunity.

If you plan to make a will you should seek the advice of a solicitor or other professional advisor.

Details of our Charity, including our registered Charity number, are listed overleaf.
